

IN THE MATTER OF THE CORNWALL PUBLIC INQUIRY
The Honourable G. Normand Glaude, Commissioner

AFFIDAVIT OF JOHN CLEARY

1. Whereas I, John Cleary, a former member of The Legislature (MPP) for the riding Stormont, Dundas & Glangarry, and also as a long time resident of Stormont County, and also having been an acquaintance of Carson Chisholm and family for over twenty years;
2. That during my term in office around the year of 1993, I was aware of the circumstances surrounding the actions of Perry Dunlop, and his decision to take a complaint of child sexual abuse to the local Children's Aid Society.
3. That I was aware that Carson Chisholm headed the citizen group that collected over 10,000 signatures in support of Perry Dunlops action to report the abuse to the CAS.
4. That I as the local Member of The Legislature presented that petition to The Legislature at Queens Park on behalf of the group headed by Carson Chisholm.
5. That later on when the citizen's group headed by Carson Chisolm got over 12,000 names on another petition calling for a public inquiry, again I presented this second petition at Queen's Park to The Legislature.
6. In both petitions, I know that Carson Chisholm was the main person spear heading these petitions for the citizens initially to show support for Perry Dunlop's decision, and also the desire of the citizens to have a public inquiry into child sexual abuse.
