Dear Sir:

This will confirm our telephone conversation of this morning. I am enclosing a Statement prepared by Sean Adams, Solicitor for David Silmsen and signed by David Silmsen.

I understand that Mr. Adams was advised by you that David Silmsen should speak to Cst. Sebalj personally and I understand that the Constable will not be back until some time next week. David Silmsen indicated to Mr. Adams that he would be available any time she wants to see him.

Yours truly

A. M. MACDONALD
