Dear [redacted]

Long time, no hear or see!

So, buddy, how's it hanging? - or is it?

(You'll have to write & reply answer the question

Just a note to say 'hi'. I'm in The R.C. podie
we spoke of the Mess one evening. We were sure that we
had met somewhere before. Hopefully, will meet again

Back in Pembroke Diocese we are 6 parishes w/o
active priests. So remain hesitant. I'll be back in the area
soon. So will meet up - which means if we are to
be friends - with good & bad, joy & sorrows you'll have
wants to tell me about yourself - your dreams, feelings
etc. If necessary, all is in confidence - for friendship's
sake. I'm a pretty open guy, so don't be afraid. If
we had a friendship/relat. involving, being nice & useful
guy. What would you want in our relat. involv? 😊

P.S. Be good to yourself.
P.S.S. Leave it alone or
think to me!

Peace, buddy.

Lorne
