Most Rev. R. A. Mulhearn
Ballarat,

Dear Bishop,

Following our discussion last Monday I wish to confirm in writing the matter of our discussion.

I confirm my request to step down from parish work in this diocese so that I may be removed from the kind of work that has proved to be a temptation and a difficulty to me.

I thank you for your compliance with my request and notify you that forthwith I will be taking extended leave.

I thank you for your advice and support -

Yours sincerely

Gerry Ridsdale
