OLMC Council #13405 Wins Double Star Council Award

Supreme Council has announced the winners of the Star Council Award.

The award goes to councils that have met all deadlines with reports to Supreme, met insurance and membership quotas, and have demonstrated programs in support of the knight's four main principals of **Unity, Charity, Fellowship and Patriotism.**

A total of 1078 councils throughout North America were awarded the recognition signifying accomplishments for the 2010-2011 fraternal year.

Councils having achieved all

the above plus a 200% growth in membership were recognized with a **Double Star Council Award.**

There were only three hundred and forty-eight councils in the entire North America and only thirteen in Ontario receiving this award.

Council OLMC 13405 was one of those recipients.

Congratulations to all Council 13405 members.

Thank you fellow Parishioners for supporting us and helping the council to achieve the award.

By Brother Leo Parent P.G.K.
