World Day of Prayer observed at St Michael's Church

by VI Dooling

The World Day of Prayer was held in St Michael's Church last Friday night, with Rev Howard Chabot of Pembroke as guest speaker.

Father Chabot is in charge of Religious Education for the Pembroke Diocese.

The theme of his talk was "Alert In Our Time" — be alert to your neighbours' needs; to try for a better living within yourself, to help any way we can, no matter how small the effort may seem to us, to make a better society in which we live. If we have enough faith to see Christ we should pray for enough love to serve him. It was a most profound message.

Our pastor Rev D J Morris welcomed all the people of various religions and beliefs, and several people — representing these groups spoke to the congregation.

Mrs Tommy Donohue presided at the organ — while several hymns were sung. Mrs Lola Arns sang "The Lord's Prayer," beautifully.

A collection amounting to \$80.29 was donated by those present — this will be sent to the Women's Inter Church Council of Canada.

In charge of the night's program were —

Mrs Fred Dicker, Mrs Mary MacGregor, Mrs Henry Behm and Mrs John Van Wozik.

Everyone was invited to St Michael's Hall, where a delicious lunch was served. It was a most gratifying evening — a spirit of togetherness and friendly conversation.
