Statement: November 6, 2016

The Board of Directors for Camp Northern Lights is aware of an allegation of sexual misconduct currently under investigation by the Ontario Provincial Police against Fr. Bill Moloney, Chairmen/Director for Camp Northern Lights. In support of the Camp and not to distract from its mission, Fr. Moloney has stepped aside from his role as Board Chairmen and Camp Director and will take a leave as per camp policy pending the outcome of the investigation. The board is not prepared to comment further during this time of investigation and is cooperating fully with the Ontario Provincial Police.
