Fruit of the Holy Spirit "Modesty"

"Modesty is the fruit that moderates our presentation to others. Modesty in behaviour directs us to observe proper behaviour. Modesty in appearance inclines us to avoid whatever is offensive to others and even whatever is not necessary. Modesty does not draw attention to oneself. It is being well kept, orderly, quiet and humble in speech, behaviour and dress and is grounded in humility".

Looks like:

Making good choices (including clothing), positive relationships, simplicity, getting along with others, gentleness, humility, giving to the poor, making new friends, recognizing the good work of others, freedom of conceit or vanity, propriety in dress, speech, or conduct, meekness.

Sounds like:

Silence, positive words, positive thoughts, complimenting others, politeness

Feels like:

Love, justice, kindness, warmth, being included, humility, free from boastfulness
