Dear Father Lorne,

My hope and prayer is that you have found some relief from your back pain by the time this reaches you.

I regret to say that after lengthy discussion with Bishop Hennessy, we feel that we are unable to offer you a position in Bermuda at this time.

There are several reasons for this decision, not the least of which is the question mark about your health. Teaching is extremely demanding in every aspect. One's back, legs and feet are severely taxed. I further understand that there is another situation, the grounds for which may very well be unfounded, but which undoubtedly would reach Bermuda and cause great harm. Bermuda is another world and gossip one of its favorite games. We cannot afford to jeopardize the position of the school nor of the Church.

I am really very sorry that you cannot join us. However, I feel that this decision is best both for you and us. I pray that you will find some direction as well as relief from your physical pain, as you do have many gifts to offer God's people.

Sincerely in Christ,

Sister Judith Marie Rollo
High School Principal
