Your Excellency,

I have just learned that Fr. Whalen died "suddenly" at his home in Gatineau. I have been unable to find any information regarding the date and cause of his death. Would you please provide me with the details?

As you are no doubt aware, six years of my life and \$34,000 of my money were given to this unfortunate man. Despite the fact that many knew Fr. Whalen's history, no one from your diocese stepped in stop the legal action which this man, a Roman Catholic priest, launched against me, a parishioner. Unbelievable. Equally unbelievable is the fact that this man was "a priest in good standing" in the Diocese of Pembroke. And we the laity are expected to believe that the days of cover -up are over? Not.

I will deal with these issues at another time. For now, I would like to hear from you, his bishop, the cause of his premature and sudden death.

Thank you,

I have the honour to be, Your Excellency,

Sylvia MacEachern
