## Parish Life

---

### Welcome to St. Joseph's Parish Website!

St. Joseph's Church is now 60 years old! We are still very active, vibrant and continue to grow in our community of Faith. Our Parish is serving the West End of Guelph, Ontario, Canada, and welcomes all who visit and share in Christ's Life - especially at Sunday Mass. **We are always looking for new talents and abilities of parishioners who can participate in our parish ministries.** We trust that you will find this online source of parish information useful. If you're new to the area, our hope is that you can become more acquainted with us by exploring our website, and we look forward to having you join us soon!
