PLAINTIFFS' REPLY BRIEF TO DEFENDANTS' OPPOSITION TO PLAINTIFFS' MOTION RE: VIDEOCONFERENCE AND TELEPHONE

I. INTRODUCTION

Defendants Priestly Fraternity of St. Peter and St. Gregory's Academy have not opposed Plaintiffs' Motion. Defendant Diocese of Scranton objects to the use of the deposition of Matthew Selinger but does not object to the remaining depositions referenced in Plaintiffs' motion. Only the two priests who molested John Doe, and their clerical society (Society of St. John) object to the use of these depositions. In order to understand why, it is necessary for the court to have an understanding of the procedural and factual context in which these depositions were scheduled.

II. BACKGROUND

Plaintiff John Doe was sexually molested by Fr. Carlos Urrutigoity and Fr. Eric Ensey (See Complaint). Not surprisingly, the defendant priests have denied sexually

PLAINTIFFS' REPLY BRIEF RE: MOTION TO RATIFY DEPOSITIONS - PAGE 1

molesting him. However, the deposition testimony at issue in the present motion provides strong corroborative proof of sexual misconduct of Fr. Urrutigoity, and also shows Fr. Urrutigoity to be concealing evidence and having testified falsely under oath in this case. For example, through discovery, counsel for Plaintiffs have uncovered evidence that Fr. Urrutigoity repeatedly slept in bed with boys from St. Gregory's Academy. In his deposition Fr. Urrutigoity denied this fact (Plaintiffs' Exhibit 'I' - Fr. Urrutigoity deposition). This testimony is contradicted by the testimony of two witnesses whose depositions are at issue in this motion – Steven Fitzpatrick and Patrick McLaughlin. Steven Fitzpatrick testified that he slept in the same bed with Fr. Urrutigoity, and that other boys did as well. (Plaintiffs' Exhibit 'J' - Fitzpatrick deposition). Patrick McLaughlin testified that he saw a boy sharing a bed with Urrutigoity (Plaintiffs Exhibit 'K' -McLaughlin deposition). What makes this deposition testimony of these two witnesses especially critical is that these young men are unabashed supporters of these two priests and the Society of St. John. For example, they have permitted their names to be added to the public website Friends of the Society of St. John (Plaintiffs' Exhibit 'L').

The testimony of Joseph Sciambra, Paul Hornak and Matthew Selinger, also at issue in this motion, provide additional corroborative evidence for Plaintiffs' case. The depositions of Joseph Sciambra and Paul Hornak have not yet been transcribed and received by counsel. However, former seminarian Matthew Selinger testified that Fr. Urrutigoity also molested him, and further testified that Fr. Ensey told Selinger that Urrutigoity admitted to this molestation. Later, Ensey attempted to explain away this admission by setting forth the theory that Fr. Urrutigoity has the power to diagnose illness by grabbing a man's penis (Plaintiffs' Exhibit 'M' – Deposition of Selinger). In his

deposition, Selinger testified as to other peculiar perverted sexual practices of Fr.

Urrutigoity, such as requesting that a rectal suppository be inserted in his presence as an act of humility (<u>Ibid</u>.).

Plaintiffs wish to take additional depositions of out of state witnesses by way of telephone and/or videoconference. Plaintiffs have not been successful in attempting to convince witnesses to fly to Scranton for depositions. In the case of Matthew Selinger, this witness was threatened by Fr. Ensey who suggested that he consider leaving the United States to avoid a deposition and also told him that his attorney has "strong ties to the Mafia (Exhibit 'E'). Other witnesses wish to put the SSJ unpleasantness behind them. With regard to supporters of SSJ, it is pointless to believe they would cooperate with plaintiffs' case by flying to Scranton.

In their opposition brief, the priest defendants are not only asking the court to prohibit the use of these depositions, but also asking that the court prohibit any future telephone depositions. This request, which belies their supposed concern over minor procedural details of the depositions at issue in this motion, demonstrates that their real intent is to prevent the jury in this case from hearing the compelling testimony of these non-resident witnesses and thus prevent Plaintiffs from obtaining a fair trial in this case. These witnesses are not going to voluntarily travel to Scranton for depositions.

III. THE TRUE RELEVANT CHRONOLGY

Plaintiffs have set forth the deposition chronology in their originating brief and the supporting Exhibits referenced in that brief. Plaintiffs will now respond to Defendants' chronology. The Diocese of Scranton argues that it received no notice of the Matthew Selinger deposition until the day before it took place. This statement is false. Defendants

PLAINTIFFS' REPLY BRIEF RE: MOTION TO RATIFY DEPOSITIONS - PAGE 3

were provided with the deposition schedule in a letter dated August 26 (See SSJ Exhibit 'A'). The parties followed that deposition schedule. The deposition of Matthew Selinger was scheduled to be taken by phone at the request of the defendants but was moved to Thursday as a professional courtesy to Sal Cognetti (See Exhibits cited in Plaintiffs' original motion as well as the additional Affidavit of James Bendell attached hereto as Plaintiffs' Exhibit 'N'). As can be seen by SSJ's Exhibit 'Q', the defendants received notice of the change in the deposition date. Note that Exhibit 'Q' contains no objection to conducting the Selinger deposition by phone, only an objection to the deposition being a perpetuation deposition as opposed to a discovery deposition.¹

In understanding the chronology in this matter, footnote 3 on Page 4 of SSJ's Opposition Brief contains perhaps the most important fact; namely, that defendants never objected to the alleged lack of formality in Plaintiffs' previous deposition notices. The depositions cited by SSJ in that footnote took place without difficulty or objection. Defendants' flyspecking of Plaintiffs depositions at issue in this motion, therefore, does not reflect any long-standing procedural fastidiousness in this case, but rather is an attempt to find a hyper-technical reason to prevent this very damaging testimony by disinterested third parties from being shown to the jury at trial (these witnesses reside more than 100 miles from the courthouse).

At Page 4 of its brief, SSJ suggests that the decision to conduct a telephone deposition of Matthew Selinger was a unilateral decision by Plaintiffs' counsel. This is false. As noted in Plaintiffs' original brief for this motion, it was the desire of Plaintiffs'

PLAINTIFFS' REPLY BRIEF RE: MOTION TO RATIFY DEPOSITIONS - PAGE 4

¹ The parties' debates over whether these depositions were to be discovery depositions versus perpetuation depositions is, of course, moot because the Federal Rules to not provide for perpetuation depositions except for pre-litigation and on appeal. All of the depositions at issue in this case are therefore merely discovery depositions.

counsel to fly to Pittsburgh for the Selinger deposition. The defendants refused to travel and <u>the defendants</u> suggested that the deposition be telephonic. For any defendant to now complain that the deposition is telephonic is an outrage – the type of thing that gives lawyers a bad name.

At Page 7 of its brief, SSJ again raises the red-herring of the reference to the videoconferencing depositions as perpetuation depositions. In point of fact Plaintiffs' counsel specifically stated on the record that all of the depositions for the week of November 10 would be considered merely discovery depositions (*See e.g.*, Exhibit 'J' – Fitzpatrick deposition).

IV. ARGUMENT

Plaintiffs are requesting that this court sign an order *nunc pro tunc* permitting the Selinger telephonic deposition and the four videoconference depositions to be used as discovery depositions in this case. Clearly such orders are within the province of the court and Federal Civi Rule 30(b) as well as Civil Rule 1 which states:

"They [the Civil Rules] shall be construed and administered to secure the just, speedy and inexpensive determination of every action."

As noted in Plaintiffs' original brief, the courts favor the use of telephonic depositions to save on litigation expenses. <u>Jahr v. IU International</u>, 109 F.R.D. 429 (N.C. 1986). Where a party shows a legitimate reason for a telephonic deposition, then the burden shifts to the opposing party to demonstrate why a telephonic deposition should not take place. <u>Cressler v. Neuenschwander</u>, 170 F.R.D. 20 (Kansas, 1996).

With respect to the videoconference deposition the arguments are even more compelling. Plaintiffs counsel expended close to \$5000 so that defense counsel would

have the opportunity to observe the demeanor of the witnesses while questioning them.

These witnesses were sworn in the by court reporter who looked at them face-to-face.

SSJ's argument that the depositions should not be permitted because of alleged improper notice is absurd. The defense attorneys attended and asked questions at all the depositions except for the Selinger deposition. Similarly, the defense argument that the Notice form did not contain the name of the reporter is an argument that has previously been rejected by the courts. *See,e.g.*, <u>Yonkers Raceway v. Standardbred Owners Asso.</u>, 21 F.R.D. 3 (D.C.N.Y. 1957). Moreover, at the commencement of the video depositions, the name of the videoconference operating, employer and other required information was read into the record and is recorded on the videotapes.

As noted in Plaintiffs' original brief, the videoconference depositions were scheduled to satisfy Sal Cognetti's post-Selinger request that he have the opportunity to observe the witness' demeanor while at the same time satisfying his previous request not to travel outside of the Scranton area. No objection was received to these videoconference depositions until Cognetti sent a November 7 letter to Plaintiffs' counsel (Plaintiffs' Exhibit 'F' attached to original brief). As noted in Plaintiffs' response letter (Exhibit 'G'), that letter was sent late Friday after Plaintiffs counsel had expended thousands of dollars for air reservations and other non-refundable videoconferencing costs for the week of November 10 deposition trip to Scranton.

At no place in its briefing does SSJ explain why these video depositions failed to provide an opportunity for full and fair cross-examination of these witnesses. At Page 13 of its brief, SSJ merely states:

"Defendants believe that in order to fairly assess the deponents' demeanor and credibility it is important for the attorneys to be in the same room with the witnesses during their respective depositions."

Are defense counsel perhaps able to smell lack of credibility on the part of witnesses?

CONCLUSION

This is a law suit involving a prep school with students attending from around the United States. It requires the critical testimony of out of state witnesses. Plaintiffs wished to take those depositions live in the respective states where they live. Defendants objected to traveling outside the Scranton area and requested telephonic depositions.

Attorney Sal Cognetti specifically joined in this request. Plaintiffs acceded to this request and scheduled the telephonic deposition of Matthew Selinger. Thereafter, Sal Cognetti stated that he wished to observe the demeanor of the witnesses. Again, Plaintiffs acceded to this request and the earlier request not to travel by scheduling expensive videoconference deposition in which all counsel participated.

Plaintiffs request that the court Order, *nunc pro tunc*, that these depositions be considered discovery depositions which can be used at trial as any discovery deposition can be used at trial, no more and no less. Moreover, Plaintiffs request that the court permit additional out of state depositions to be conducted by telephone. In addition to the testimony of Fr. Oppenheimer, Plaintiffs wish to depose several other students who may have observed Fr. Urrutigoity sleeping with St. Gregory's students.

Q Now, before Father Devillers allowed you--or asked you to go to the school, did he conduct any fitness investigation as to The Society of Priests?

A It was not necessary. He knew us from before as priests of The Society of St. Pius the Tenth.

- Q So it's your understanding that under Rome's policy, Father Devillers did not have an obligation to make an inquiry because all of you were priests previously--
 - A Correct.
- 12 Q --with The Society of Pius the Tenth,
- 13 correct?
- 14 A Correct
- 15 Q How long did you physically--did The Society 16 of St. John physically reside at the school?
- 17 A As I said, I think from the beginning of 18 November, 1997 until September 15th of 1999, I believe.
- 19 Q Where did you go to then? Where did The 20 Society move to then, if you left the school?
- 21 A We went to our--we brought our own property 22 in Shohola, Pennsylvania.
- Q What was your function, what was the function of all The Society priests, while you were living at the St. Gregory's Academy?

- A At first, none. Then Father Bisig and Father
 Devillers requested that we become chaplains to the school
 for a year. And that was from the fall of 1998 through
 the spring of 1999.
- 5 Q What does that mean, chaplains for the 6 students?
- 7 A You know, to celebrate Mass, to attend to 8 their spiritual needs, and also to teach religion class.
- 9 Q Then after that period of time, did the 10 function change?
- 11 A Yes; because they were able to provide 12 for--with The Fraternity priests. And so we had agreed 13 that we would do that function only for a year. Yes, that 14 was it.
- 15 Q After that one year expired, did you still 16 perform any liturgical or spiritual function with the 17 students at St. Gregory's Academy?
- 18 A No

22

23

25

14

15

16

21

- 19 Q When you moved to the Shohola property, was 20 that within that one-year period, or after that one-year 21 period?
 - A Right after. Because we finished the chaplaincy in the late spring of 1999, and we moved out of the school when we bought the new property in September of 1999.

28

30

- 1 A Well, that changes, you know, according to 2 seasons and needs.
 - Q Why don't you give me--list the different functions that you had?
 - A That I have or the other priests?
 - Q Both?
 - A Well,--
 - Q Start with your functions, first.
- 9 A First, I guess I was just a priest of the
- 10 community. Then I become Superior of the community in 11 March, 1998, and I remained so until March of 2002. And
- 12 then, for the other members, Father Daniel Fullerton was
- 13 the Superior before me. Then our-- His functions were, I
- think, after that, he was a member of our counsel, he took
- 15 care of finances at certain points, then he took care of
- 16 fundraising at certain points, he-- What else would he
- 17 have done? -- and then he was, for awhile, in charge of the
- 18 novicia for our community. I-- I believe those are his
- 19 main functions. But if you want me to go into--
- 20 Q Actually, I could spare you a lot of effort
- here. I'm not asking for the functions internally at The Society of St. John.
- What I'm asking for, what were the duties of The
 Society of St. John priests with regard to students at St.
- 25 Gregory's Academy?

- Q At any time that you were at The Society of St. John, whether it's Shohola, St. Gregory's Academy, or even on trips, did you ever sleep in the same bed with a student of the St. Gregory's Academy?
 - A No
- Q Did you ever sleep in the same sleeping bag with a student of St. Gregory's Academy?
 - A No.
- 9 Q Did you ever sleep on the floor in a futon, 10 or some other type of floor bed with a student of St. 11 Gregory's Academy?
- 12 A If you mean that I slept next to somebody?

 13 Yes.
 - Q On how many occasions did that happen?
 - A But with the students of Academy, you said?
 Then the answer is, "No."
- 17 Q Let me then go back and ask the questions 18 more broadly.
- While you were a priest at The Society of St. John, whether on the property or off the property, did you ever

He fell asleep on my bed, then I came in, we sat down and began talking, and then I fell asleep, and I guess he kept talking, and then he fell asleep. And that's the way it happened. How many times did you sleep in the same bed Q with him? I think that one episode that I can remember. Q Porgive me. I may have fouled up my questioning. But I thought I had asked you first whether you ever slept in the same bed with any male at Shohola and you said, "No," but that you had slept on the floor?

A Not that I can recall at this point, no. So Fred Frazier would be the only one?

Let me go back and ask the same question

Other then Fred Frazier, did you sleep in the same bed with any other male while you were with The Society of St. John, either at Shohola, St. Gregory's Academy, or at

Yes.

some other location?

again.

- Yes, you just reminded me. 1
- I've got some other names. They may remind 2 you too. It's probably a worthwhile exercise. 3

Did you John Clark, the son of Howard Clark?

- Yes, I know him.
- Did you ever sleep in the same bed with John 7 Clark?
- Did you ever sleep on the floor next to him?
- Yes. Yes. 10
- Do you remember the circumstances when that 0 11
- 12 occurred?

5

- I think it was we were coming back from a A 13
- trip with him and other St. Gregory graduates. And, 14
- again, the same type of thing that we stopped at our 15
- property, and, you know, we--there were, you know, a need
- 16 for space or whatever, and then I think he was with him,
- 17 and--
- 18

19

1

13

- "He was with him"? Who's "he"? 0
- I think--20
- You--21
- --Dan--Dan Kerr--Daniel Kerr. I think it was 22
- very close to us, too. I don't remember who else was 23
- there. But there was, you know, a group of people. 24
- How many people in this group? 25

- St. Gregory's. They -- They were there, you know, like 1 visiting. And they came to The Society for like a little
- retreat, if I remember well. And they came. And I--I
- guess, you know, took different spaces. I-- I wasn't
- really sleep when they--when they came back--when they
- came that night, I think. And he -- I think he brought his
- own sleeping bag and, you know, he--he slept, you know,
- next to me.

14

10

19

24

25

- Now, you testified earlier that there was a one-year period of time where S.S.J. was actually residing 10 11 at St. Gregory's Academy, and it was about the time that you were leaving that that one-year chaplaincy ended, is 12 13 that correct?
 - Δ
- 15 Now, was there any additional reason--was 16 there any reason for students to be--students from St. Gregory's Academy to be visiting The Society of St. John 17 at the Shohola property after that one-year period?
- 18 А Definitely, because of the parents. We would 19 come with parents. You know, sometimes parents would be 20 21 together with this groups of people, so some of the 22 parents would be sleeping in, you know, like the guest
- 23 room that we--we dedicate to them, and some of their sons,
- you know, would be sleeping in whatever, in our living 24
- room or whatever sleeping quarters. 25

40

- I don't recall, exactly. A
- But the group was so large that they had to be congregated in your room? 3
 - I don't think it wasn't in my room, because--A I-- I don't know what reason it was. But I think we were in some--in some--in our--I think in our living room or
- something like that. He wasn't in my room. This group of people, did they come in one
- motor vehicle? 9 No. I mean, probably, it was two or three Α
- 10 cars. I don't remember. 11
- 12 0 Two car or three cars?
 - I -- I think, you know. A
- As far as you know, there were no vacant beds 14 throughout the Shohola property for them to sleep in? 15
- No, not--I--I don't think so, you know. 16
- Did you ever sleep in the same bed with Simon 17 0 18 Tanner?
- A 19
- Did you ever sleep on the floor next to him? 20
- Let me think about that, if I can recall. I 21 A
- think, once. I think, once. 22
- What were the circumstances when that 23 0
- happened? 24
- I think they were coming after graduation at 25

- But did students ever come alone without 1 2 their parents?
- Α I think once for a camping trip. But I don't think that they stayed at The Society. They just walked
- through the property, and went on their way to Shohola
- Falls, I think. It was a camping trip. And they came, I
- think, with-- I don't think I was there that day. But
- they came for a camping, and they asked permission whether
- they could walk the property.
 - And we said, "Yes, you could walk the property."
- And I think they brought some dorm fathers and, 11
- probably, some faculty. I don't remember, you know, 12
- 13 because I wasn't there. I think.
- 14 Q So after that one-year period when you left 15 the Academy, and you were with the Shohola property, there was no students making overnight visits, for example? 16
- No, I don't think so, unless with parents 17 A or--you know. 18
 - Q I mean, without parents.
- A No, I don't -- No; because they couldn't leave 20
- 21 the school. They have to do their school.
- Did any students stay overnight in your room 22 0 while you were at Shohola? 23
 - А Of St. Gregory's?
 - Yes.

TRANSCRIPT OF DEPOSITION of STEPHEN FITZPATRICK, as taken on behalf of the PLAINTIFFS, pursuant to notice, before Gloria Anzalone, a certified shorthand reporter in and for the County of Lackawanna, Commonwealth of Pennsylvania, at The Video-Conferencing Facility at Marywood University, 2300 Adams Avenue, Scranton, PA 18503, on the 10th day of November, 2003, commencing at 1:17 p.m. and concluding at 1:53 a.m., of said day.

APPEARANCES: Page 1

111003Fitz.txt

8	The Society of Saint John's, I object to the
9	methods used for taking of this deposition. We
10	will even submit that this deposition is being
11	taken in contravention of Rule 30(b)7 of the
12	Federal Rules of Civil Procedures.
13	In addition, we object because we
14	believe that there has not been adequate notice
15	pursuant to 30(b)1 of the Federal Rules of
16	Civil Procedure. And, finally, we object
17	because it is against the spirit of Rule
18	30(b)4, that live testimony is preferred over
19	video testimony.
20	I state those objections on the
21	record. We are here, we will participate, but
22	by our participation we are not waiving any of
23	our objections to the method used for this
24	deposition. In addition, I'm not sure that the
25	method being used is technically correct.

1	Saying that, I am now asking you, Mr. Bendell,
2	if you'll give us an offer of proof as to this
3	witness.
4	MR. BENDELL: First as to an offer of
5	proof, I have stipulated earlier this morning
6	that the depositions for this week can be
7	simply considered discovery depositions;
8	however, I'm also willing to make an offer of
9	proof anyway, and that would be Exhibit 1 of
10	which is the only information I assume this

111003Fitz.txt

14	MR. BENDELL: James?
15	MR. O'BRIEN: Yes, we would join in
16	the objection with regard to what we would see
17	as a violation of 30(b)7. That's all I have.
18	
19	STEPHEN FITZPATRICK, called as a witness,
20	having been first duly sworn, was examined and
21	testified as follows:
22	EXAMINATION
23	BY MR. BENDELL:
24	Q Good morning, Mr. Fitzpatrick. Could you
25	tell me where you reside at the present time?
	6
	v
1	A My home is in Ottawa, Canada, but right now
2	I'm going to school in Santa Paula.
3	Q And that's at Thomas Aquinas College?
4	A That's correct.
5	Q What year are you in?
6	A I'm a senior.
7	Q And did you at one time attend Saint
8	Gregory's Academy?
9	A I did.
10	Q Was that from 1996 to 2000?
11	A It was,
12	Q Would you please look at Exhibit 1 for a
13	moment and tell us if you recognize that document.
14	A I do.
15	Q Is this a copy of a letter you sent to
16	Bishop Timlin in February of 2002?
то	Page 6

6	Cognetti points out the rules provide that
7	discovery depositions in some cases can be used
8	at trial. However, I didn't write the rules,
9	so this is a discovery deposition. Anyway, the
10	witness says
11	BY MR. BENDELL:
1.2	Q What was your answer, there was no
13	cigarettes that you know of?
14	A To which question?
15	Q Did Father Urrutigoity buy any tobacco for
16	the young men?
17	A I'm sorry, the volume cut out for a second.
18	Q Did Father Urrutigoity buy any tobacco for
19	the boys?
20	A No.
21	Q Now you're not willing to tell me whose
22	house you stayed at. Can you tell me if the owner of the
23	house was at the house?
24	A I don't understand why no, I don't want
25	to answer that.

14

1 So you won't tell me that, either? Okay. Q Who else was in the house besides Saint Gregory's students 2 3 and Father Urrutigoity? Were there any other adults? I don't want to answer anything about the 4 5 circumstances of anybody else involved with that, counsel, 6 about the house and who it belonged to. Without answering the question, can you 7 tell me why it is you want to talk to an attorney before 8

Q

15	111003Fitz.txt I keep repeating who I am, I don't know why, but I'm going
16	to go through your statement in a little bit more detail
17	if I may. Do you know of any improper conduct on the part
18	of Father Urrutigoity or the part of Father Ensey?
19	A No.
20	Q Did Father Urrutigoity or Father Ensey ever
21.	make any sort of improper sexual advances towards you?
22	A No.
23	Q Did you ever see Father Urrutigoity or

QUESTIONS???

To submit a new question send an e-mail by clicking here.

Who initiated the formation of the "Friends"?

The Friends of SSI was formed by it's members at our own suggestion. We felt that priests in the proper order of things should not be distracted from their daily prayers to defend themselves. In fact we felt it was fitting that the faithful defend it's priests, particularly in such a sad case as this where the detractors are Catholic.

"It is no small prudence to be silent in the evil time, and to turn within to Me, and not to be disturbed with the judgment of men."--Thomas a Kempis My Imitation of Christ

We as the "Friends" feel compelled to defend the priests of SSI because we see this attack as one against not just a small seedling within the Church, but rather an attack on Holy Mother Church herself, by way of her chief representative in the Diocese of Scranton, Bishop James Timlin. It is our duty to defend our Bishop and our priests while they remain committed to their duty of daily reenacting Calvary.

Why the "i" in Friends of SSI?

SSI has simply been the acronym used to refer to the Society. SSI are the initials for the Latin translation of Society of Saint John. The Latin translation is Societas Sancti Joannis.

Who are the Friends of SSI?

The Friends of SSI are men women and children, laity and religious alike who support the Society of St. John's mission and attest to that support by formally submitting their names to this website. To date they include:

- And I says, "I don't have any, you know,
- 2 trunks or anything." And Jason said the same thing.
- And he says, "We're all men. You never
- 4 been maked in front of a guy, your buddies?"
- 5 I'm like, "No. Showers, locker room," I
- 6 says, "but I hardly want to jump into a cold river
- 7 naked."
- That was the first incident. Didn't think
- 9 much of it. I thought he was a weird Argentinean
- 10 priest trying to learn how Americans were and trying
- 11 to be cool with us.
- 12 Then I was -- during Lent, I wanted to give
- 13 up meat for 40 days. And I thought it would be very
- 14 hard, but I wanted to try it. And I did it for a
- 15 couple weeks.
- And I got constipated, I got real sick,
- 17 because I was living off of soup and vegetables.
- So there was a guy in the seminary,
- 19 Anthony, I forget his last name, he was Italian, he
- 20 always had a pill for everything.
- 21 And I went to Father's room and I says, you
- 22 know, "I'm sick and I haven't went to the bathroom in
- 23 two weeks." I said, "I need something to, you know,
- 24 go to the bathroom." And I says, "I know Anthony got
- 25 Metamucil. Can I get some?"

- 1 He said, "Well, I'll go ask for you."
- 2 He went and asked and he came back and he
- 3 said he didn't have any, which threw my mind real
- 4 quick. I figured, the guy's always got it, but why
- 5 would the father lie?
- And he says, "I'll go to the store and get
- 7 you some."
- 8 So he came back with a depository.
- 9 Q You are talking about Father Urrutigoity
- 10 now?
- 11 A Yeah. He came back and he gave it to me.
- 12 And I went to put it in my mouth, I didn't know what
- 13 it was.
- And he says, "No, that goes in your rear."
- 15 I don't know if that's the word he used, but --
- And I says, "All right. I never heard of
- 17 these."
- And he says, "They're common and they work
- 19 the best."
- 20 All right. So I went to the bathroom and
- 21 he says, "What are you doing?"
- 22 And I says, "I'm guess I'm going to do
- 23 this."
- And he said, "What; I'm not your friend?"
- I says, "Well, yeah."

- 1 He says, "Why do you have to go secret to
- 2 do something like that?"
- I says, "Well, I have many friends, but
- 4 I don't want them watching me pee."
- 5 And he says, "Well, I think that's" -- and
- 6 this is the big thing with Father U, is, "That's part
- 7 of your pride, Matt. You know, you come from a rough
- 8 background and you depend on your own strength to do
- 9 everything, and you have to break your pride to let
- 10 God get into your heart, because with self-love, God
- 11 can't get in there."
- 12 And all these things that he said is true.
- 13 But they don't apply, obviously, in this.
- 14 And reluctantly, I says, "Okay." And I
- 15 kind of went into the bathroom and did it real quick.
- 16 And he came in, and I did it without him
- 17 and he got real mad at me.
- And I just says, "Well, Father, it's going
- 19 to take me a while to be able to swallow that much
- 20 pride."
- 21 Does that answer the question?
- 22 O Yes.
- 23 A Okay.
- 24 Q Also, while you were at Winona, did
- 25 Father Urrutigoity ever express to you some sort of a

- 1 they needed their own bed and privacy.
- 2 And the seminarians and priests didn't want
- 3 to be downstairs. We were told by the priests,
- 4 because, unless you sleep in your cassock, you know,
- 5 during the night, what if somebody, one of the women
- 6 or something, comes down to go to the bathroom and
- 7 she's not dressed properly or you're not dressed
- 8 properly?
- 9 We kind of wanted to give everybody their
- 10 own privacy, and that's why I took the floor.
- 11 Q What happened that night, later?
- 12 A I was sleeping and pretty much I woke up
- 13 and his hand was on my private area.
- 14 Q I know this is embarrassing, but to be
- 15 specific, what organ was his hand on?
- 16 A What do you call it? The unvulgar word is
- 17 "penis."
- 18 Q Was it the penis or testicles; which was
- 19 it?
- 20 A It was the top, you know.
- 21 Q The top of the penis?
- 22 A Well, no, the actual penis.
- 23 Q Okay. His hand was on the penis.
- Now, how do you know it was
- 25 Father Urrutigoity's hand?

- 1 A Well, I felt it and I noticed it. You
- 2 know, a guy's sleeping and they wake up, the first
- 3 thing they notice?
- 4 Q Yes.
- 5 A Okay. Well, when I woke, I was in that
- 6 state.
- 7 Q You had an erection?
- 8 A Yeah.
- 9 Q And then what happened?
- 10 A And his hand was on the bottom of it.
- 11 Well, I knew it. And I opened my eyes and
- 12 he was kneeling beside me with his hand on the bottom
- 13 of my penis and I was erected.
- 14 Q "He," being Father Urrutigoity?
- 15 A Yes. Basically, I was caught between two
- 16 things. I wanted to jump off and rip his head off,
- 17 and unless I could do that, I could do nothing.
- I thought about it and I might have been
- 19 okay to do it, but my dad told me once a guy hit a
- 20 priest and his arm was frozen forever.
- Now, Father U, regardless, whether he's a
- 22 killer, a rapist, a mass murderer, whatever, he's a
- 23 priest.
- And I'm afraid to hit someone who was,
- 25 although he's that kind of a man, he is an

- 1 Alter Christi. And you know, you don't lightly maim
- 2 or kill a priest, regardless of what they do, unless
- 3 you are trying to save a life or whatever.
- I was hurt because everything in the back
- 5 of my head that I started to think about him was
- 6 confirmed at that minute.
- 7 And I basically wrestled in my sleep, like
- 8 I was waking up, to scare him. He took his hand off
- 9 me. I rolled on my side and I just laid there.
- 10 He crawled back up in the bed real quietly
- 11 and I laid on the floor for the rest of the night.
- 12 And my basic question was: When I came to
- 13 the seminary and I offer myself to do the best that I
- 14 can, and he's my spiritual director, and I put my
- 15 spiritual life in his hands, but I did it through our
- 16 Lady and our Lord, how in the heck can they let this
- 17 happen? The very person I'm supposed to trust and do
- 18 trust, and they let this priest do this to me.
- 19 So that was my confusion, not so much
- 20 Father U, because it all came clear to me what he was,
- 21 what his intentions were. And that was something
- 22 where, either beat the hell out of him or walk away.
- 23 Q So how long did you continue to stay in
- 24 that house?
- 25 A Well, the next night, obviously, what I

- 1 left, I don't want to know why." But he already
- 2 knew. He said, "You just need time to get away. Do
- 3 you want to come out to California?"
- 4 "Yeah. That would be great."
- I flew out, I got there. After a couple
- 6 days, we were on the beach and it was at night, we
- 7 were walking and he asked me how things were going and
- 8 I came out and I just told him. I told him
- 9 everything, what Father did, everything.
- 10 When we were done, Father Ensey looked at
- 11 me and he said, "Obviously, I can never go with this
- 12 man. I can never talk to him; nothing."
- 13 Q Referring to Father Urrutigoity?
- 14 A Yeah. I said, "Well, no kidding."
- 15 So, the next couple days, we didn't really
- 16 talk too much about the details, again, and I went
- 17 home.
- When I got home, he called me and he said
- 19 that he was going to Scranton to confront Father U.
- I said, "Well, go ahead and call me when
- 21 you're done."
- 22 He called me from Scranton and said
- 23 Father U was in Rome, when he got back he would talk
- 24 to him. He called me a week, two weeks later, and he
- 25 says, "I've talked to Father U, I told him what you

- 1 confronted Father U and Father U admitted it.
- 2 And I says, "What the hell are you still
- 3 doing there?"
- 4 He says, "We still have things to talk
- 5 about."
- I says, "Well, when you figure that out,
- 7 then you can call." Pretty much, "Well, obviously you
- 8 don't believe me now, or you do and you don't care,
- 9 and so therefore, why am I still talking to you?
- 10 Bye."
- 11 He later came back down, wanted to talk
- 12 about it more and everything and he told me that it
- 13 happened like it did, but Father U said that I was
- 14 sick and he was doing that because he can tell if
- 15 you're aroused, you're sick, or like, if you look at
- 16 someone's tongue and it's all cracked then there's
- 17 something going wrong in the soul, because it's so
- 18 connected to your innard organs, and stuff like that.
- 19 It was a medical reason that he said that
- 20 he was doing this.
- 21 Q Father Urrutigoity had some sort of medical
- 22 protocol involving touching a man's penis to see if
- 23 he's sick?
- 24 A This is what he claims. He would do a
- 25 bunch of things like that. He said he would give

- 1 communion and look at people's tongues and tell if
- 2 that person was suffering more than the next person
- 3 with, you know, a smooth tongue. And he said he could
- 4 do this, you feel this guy, whatever, and you can tell
- 5 that there was something being bothered. And my thing
- 6 was, "Father, every guy knows when you wake up or when
- 7 you're sleeping, if you're comfortable, it happens."
- 8 Q Right.
- 9 A That's a bunch of bull.
- 10 You know, Father Ensey was asked, this is
- 11 where he first denied me telling him, because
- 12 Father Ensey was asked by Bishop Timlin if I ever told
- 13 him. Father Ensey said, "No."
- And he told me the reason he said no was
- 15 because he was my spiritual director and felt in
- 16 confidence that couldn't tell Father Ensey that --
- 17 Bishop Timlin that.
- 18 Q I see.
- 19 So at this point, Father Ensey had become
- 20 your spiritual director?
- 21 A Father U told him to take care of me.
- 22 Father Ensey listened to me when I was out in
- 23 California, talked me through with it. After that,
- 24 there was really no other things in friendship.
- 25 Honestly, I never really looked at him as

- And I says, "I ain't going to ask you if
- 2 you did, obviously what?"
- 3 He's like, "Of course not."
- And I said, "I know, I know, I just, you
- 5 know -- formality."
- And he said basically, if I'm subpoenaed,
- 7 and he made it sound like it would be a thing just
- 8 against Father U. And if I answered the subpoena, and
- 9 went to court and I told my story, it would bury
- 10 Father U, which in turn would bury him, because he's
- 11 associated with him, he's my friend, and if I bury
- 12 Father U, then it's going to bury Father Ensey, him.
- I says, "Yeah, that's a possibility."
- 14 I said, "Father, you kind of had many chances to get
- 15 out of this."
- "Well, you know, I have. I went to this
- 17 diocese," and so forth.
- 18 And then he said to me, "You know, if they
- 19 subpoena you, you can't get out of it. Now, you can
- 20 leave the county."
- 21 And I says, "Well, you know, my wife and
- 22 kids; I have a family, I have a job. You just can't
- 23 pack up and leave. I mean, if it was to save
- 24 somebody's life, a friend, and I had to move, that's
- 25 something to consider, but not to not go to court

- 1 because Father U might go to jail or get money. Not
- 2 only do I not care, but good. And, you know, maybe
- 3 this won't happen to somebody else."
- And he says, "I know. I know. I was just
- 5 telling you that that's the only way to get out of the
- 6 subpoena."
- 7 And he said, it was along the lines of,
- 8 "You know, you really can't lie."
- 9 And I said, "Father, you know I don't lie,
- 10 you know I'm not going to lie, especially in court and
- 11 especially when I have no reason to lie. I'm not
- 12 getting anything out of it and I got no agenda. I
- 13 tried to walk away from this five years ago.
- 14 Everybody keeps calling, 'Tell your story again. Tell
- 15 your story again. Tell your story again.' And every
- 16 time I do, no one believes me anyhow or they do, like
- 17 Bishop Timlin or his guys said they believed me, but I
- 18 wasn't asking money so they left me alone and they
- 19 figured I would just go away, which I tried. Now Bond
- 20 and all of this happens again. So I'm not going lie."
- 21 And I started thinking, well, he threw two
- 22 things out on the table, get out of the country, lie.
- 23 Okay.
- 24 Q Right.
- 25 A The third was, he says, "Well, my lawyer,

- 1 he's a very" -- first he discredited this guy.
- 2 I don't know this guy, but basically, he said he's a
- 3 mental case.
- 4 Q You mean the guy who was charging
- 5 molestation?
- 6 A Right. "He's a mental case and he's
- 7 looking for sympathy and a buck."
- 8 And I says, "Okay. But you know what,
- 9 Father, you know, he may be, but not everybody that's
- 10 been accusing Father U" -- and we're not talking one
- 11 or two, we're talking three or four, and I know,
- 12 myself, another person who was molested by Father U,
- 13 who nobody knows about, and this guy, if came out and
- 14 told, his reputation is impeccable.
- I asked him, I says, "If it ever comes to
- 16 something, do I bring up your name?"
- 17 And he said, "No."
- 18 And I said, "Why?"
- 19 And he said, quote, "Because I don't want
- 20 to deal with the shit you're going through," end
- 21 quote.
- So he told me that this lawyer, his lawyer
- 23 Father Ensey's and Father U's lawyer is a good man,
- 24 Catholic, he wants to know the truth, he would like t
- 25 talk to me.

- 1 And I says, "All right."
- 2 He says, "Of course, you know if anybody
- 3 knew this was going on, we could get in trouble."
- 4 Basically, he could get in trouble.
- 5 Q Father Ensey or the lawyer?
- 6 A Father Ensey and Father U, because they're
- 7 pretty much coming to me, knowing that I'm going to be
- 8 subpoenaed and trying to get as much information, and
- 9 try to get me on whatever, to do whatever before I get
- 10 subpoenaed. He says because he can't talk to me
- 11 definitely after I get subpoenaed or it's an
- 12 interference or something like that.
- So he says, "This guy is a good guy, he's
- 14 everything." And then he says, and this is what
- 15 struck up red flags, "He's a good guy. He's got
- 16 strong ties to the Mafia. He's not in the Mafia, but
- 17 he's got good strong ties to the Mafia," and left it
- 18 at that.
- And then it hit me, the format that he was
- 20 going, he said, one, "You can get out of the country
- 21 to avoid the subpoena."
- Two, "If you don't do that, and you have to
- 23 go, what about lying?" I mean, he didn't ask me to do
- 24 it, but he brought it up.
- 25 Three, "My lawyer wants to talk you and

- l he's tied with the Mafia."
- 2 So to me, in my head, there was a format of
- 3 trying with the least, where you leave the country,
- 4 get him out of the way, "Would you lie?"
- 5 I'm saying this is the format that I'm
- 6 picking up.
- 7 And last, was the threat, I think was an
- 8 outright threat. Why would he tell me that his lawyer
- 9 is in the Mafia, which I think is just stupid, because
- 10 he knows me.
- 11 Do you think I'm going to get scared and
- 12 say, you know, "Okay. That was enough. Boy, they
- 13 might come kill me."
- I'm got going do anything. And that's
- 15 when -- that's when I made my judgement of
- 16 Father Ensey. Whether he came up with that himself or
- 17 was sent to do that, I don't know. The guy hasn't
- 18 talked to me for a year and all of a sudden, he comes
- 19 down and says, "If you're subpoenaed, these are the
- 20 things that's going to happen."
- 21 So I told him -- right away, I thought to
- 22 myself, The Godfather. Keep your friends close, keep
- 23 your enemies closer.
- I told Father Ensey, "Sure, I'll talk to
- 25 your lawyer. I'm telling the truth. I can tell

JOHN DOE, JOHN DOE, SR. and JANE DOE,

Case No.: 3 CV 02-0444

FIFTH AFFIDAVIT OF JAMES BENDELL

Plaintiff,

VS.

FATHER ERIC ENSEY, FATHER CARLOS URRUTIGOITY, DIOCESE OF SCRANTON, BISHOP JAMES C. TIMLIN, THE SOCIETY OF ST. JOHN, THE PRIESTLY FRATERNITY OF ST. PETER and ST. GREGORY'S ACADEMY,

Defendant.

James Bendell, being first duly sworn, deposes and states as follows:

- 1. I am one of the attorneys representing the plaintiffs in this case.
- 2. This affidavit is made in response to the affidavit of Sal Cognetti dated December 18, 2003. His affidavit is false. As stated in my Affidavit dated October 27, 2003, the deposition of Matthew Selinger was moved from Friday to Thursday at the specific request of Mr. Cognetti so that he could attend the inauguration of the new president of Fordham University (see attached). It is shocking that Mr. Cognetti would deny this fact in an affidavit.

At the January 27, 2004 hearing in this case Plaintiffs will request that the court place the other attorneys in this case under oath so that they may be questioned about this fact.

James Bendell, WSBA # 20820
Co-counsel for plaintiffs

Occurrent of this 24 day of December, 2003.

May Commission expires 1.29.07

I certify that I caused a true copy of this pleading to be mailed to Cognetti.
