Dear Mr. Hill,

In reply to your letter dated July 2nd, 1999, regarding
Fr. Mark Buckley.

According to your letter I am being accused of, by you,
of contacting the Ontario Institute for Studies in
Education in Ontario. It is my assumption that this
information was given to you by Fr. Buckley. Please
advise your client that NEVER at any time have I contacted
the aforementioned Organization for any reason whatsoever.
However should my name appear on any report or correspondence
to this Organization, it has been done so without my
knowledge and/or permission. Therefore I feel this to be
a false accusation and an immediate retraction of this
falsehood is in order. I await your reply.

Sincerely yours.

Dear Mrs. MacKerrow:

Re: Father Mark Buckley

Further to our telephone discussion yesterday afternoon, you advised that you were not responsible for contacting OISE but rather it was the "Grafton people" who did so.

Thankyou for correcting this aspect of my July 2 letter. I have forwarded your comments to Father Mark. I have advised him that it your intention not to proceed with matters further. I trust this information will assist him in ignoring pressures he is receiving from priests and school officials in Alberta to take action against persons he is informed are slandering him.

I hope the "Grafton people" also have your good sense. Matters are proceeding through the proper channels and a just decision will be made in due course.

Thankyou for taking the time to contact my office.

Yours very truly,

John L. Hill
