ter. The provincial theme of this year's Catholic Education Week (April 27<sup>th</sup> – May 2<sup>nd</sup>) is "We Are Called". This theme comes from the famous passage located in the Book of Micah: "We are called to act with justice, to love tenderly, to walk humbly, to give generously and to live peacefully" (Micah 6.8). As Catholic Christians, we recognize the need to live out Micah's call. In all our courses, Micah's challenge resonates. Two of our Department members, Ms. Thompson and Mr. Droog, have captured the spirit of Micah's words in ways outside their respective courses. The former continues to expose students to issues of justice through the social justice club. By print time of this newsletter, Mr. Droog will have spent a week in the Dominican Republic with other staff and students. COR (Christ on Retreat) gives secondary students an opportunity to explore the meaning of Micah's words. Earlier this month, Fr. Moe Charbonneau visited gr.11 and 12 Religion classes to promote the upcoming retreat in Tillsonburg (April 25<sup>th</sup>-27<sup>th</sup>).

Once again, our grade 9 students will embellish their unit titled "Be Loving" with several presentations in term II. Rita Butler (Holy Trinity Parish) and Ginnie Woodall (Good Beginnings) will present several information sessions on chastity. Karen Gibbons' "Teen Panel" will also be making the rounds to our grade 9 students in May. The MCT Bursary in Religious Studies and Medicine is a new bursary based out of our department. For students interested in post-secondary studies in the areas of medicine and religious studies, details can be found by visiting
